

Greetings to Everyone in the Name of our Lord Jesus Christ!

Wishing each and every one of you a Merry Christmas and a Happy New Year.

I know it has been a difficult time for all of us this year and we have faced an enemy that has never been experienced in our world of today. It is times like these that we need to be resolute and to encourage ourselves, knowing the Word of God has promised us Hope and Grace as we face the challenges that have affected the entire planet. The Word of God promises many things and one of those promises, Romans 8:28; “And we know that all things work together for good to them that love God to them who are the called according to His purpose.” Such promises are the life force that keeps us from becoming discouraged or disheartened.

This Christmas Season let our hearts be merry and rejoice full of Faith. I pray you keep your eyes upon the Lord and think of those who may be less fortunate than we are. Although things may not be the way we want them to be we will endeavor to persevere and give God thanks for the gift of His only begotten Son, whom our Lord gave to the world one winter night in a manger in Bethlehem, over two-thousand years ago, that we might have life more abundantly.

**May the Lord Bless and keep you in Joy, Love and Comfort of our Lord Jesus Christ
Blessings, Peace and Good Health this Christmas and Happy New Year!**
